Montana Selection — An easier choice with 39 pre-designed solutions

Montana Selection is a series of pre-designed storage modules for all rooms. Montana offers versatile storage modules with endless possibilities of combinations. With Montana Selection we have hand-picked a range of functional and creative preconfigured furniture. The only thing you have to do is to decide which one of Montana's 41 lacquer colours you want, and whether your furniture should be placed on legs, suspension rails, plinth or castors.

The series is certified with the Danish Indoor Climate label as well as the official EU Ecolabel.
