

midst coffee table grey marble

PRESS PREVIEW — APRIL 2025

The Midst Coffee Table is a refined blend of sculptural form and luxurious materiality. Its round spun-steel base features a high-gloss finish, creating a striking contrast with the Grey Marble tabletop. The natural stone's deep grey tones, intricate veining, and subtle blue undertones are enhanced by a honed matte finish, highlighting its rich details. A timeless design that brings a sense of sophistication to any space.
