

Ana Table

Designed By Arde, 2018

The Ana Table is a dining table with a solid wood frame and an extendable table top. Underneath is a butterfly folding system, providing a discrete place to store the leaves of the table when not in use. Conceived with agility in mind, the easy-to-use extension mechanism makes the Ana Table an enduring design that allows for up to 8 guests. The choice of table tops includes nanolaminate versions in a variety of colours, each with a different type of oak edge as an accent.
