

# BM80 Mogensen Coffee Table

Designed By Børge Mogensen, 1961

BM80 is an honest and balanced coffee table in solid oak, originally designed by Børge Mogensen in 1961. Inspired by the American Shaker tradition, the design is defined by its clean expression and subtle details – such as the offset joints and visible brass screw that anchors the frame with precision.

A quiet yet considered piece, reflecting Mogensen’s ability to unite form and function in a design that endures.
