

Horse Lamp Silver

FRONT

Horse Lamp by Front is one of Moooi's most iconic and surreal creations. A life-sized presence that transforms the familiar into something extraordinary. Balancing scale and function, the design brings theatre and imagination into the interior. For Moooi's twenty-fifth anniversary, Horse Lamp is reimagined as part of Moooi Editions. Finished in Tin Age, the matte metallic surface gives the figure a renewed presence to shift from a playful statement to reflective object. A familiar icon, transformed into a collectible moment. Exclusive with two lamps available.
