Bart Armchair

MOOOI

The Bart Armchair brings a friendly sort of grandeur to your home. This single-seater does the rounded shapes of the Bart family even more justice, especially with the optional swivel foot that makes a circular motion. Having a conversation or to inspired to sit still? Swivel your Bart Armchair around and enjoy another point of view! If you prefer a more solid setup, the Bart Armchair is available with slanted wooden legs (canape) and without.

Detailing

The Bart Armchair is originally inspired by the rounded shapes and sumptuous glory of 18th century Rococo.
