

# FIBER LOUNGE CHAIR - TUBE BASE

**ISKOS-BERLIN ON THE DESIGN** "One of the most difficult and noble disciplines of design is to create simple, well-functioning and almost ordinary objects that nevertheless have a strong identity. We designed the Fiber Lounge Chair to do just that through a clear and sculptural language that refuses to compromise on comfort, embracing the body of its user. With a light and almost hovering appearance, the design joins soft, friendly curves with an innovative wood fiber composite, giving the Fiber Lounge Chair a unique expression and inviting seat."

Seat depth: 49 cm / 19.3"  
Seat width: 60 cm / 23.6"

## DESIGNED BY / YEAR OF DESIGN

Iskos-Berlin / 2018

## ABOUT THE DESIGNER

Iskos-Berlin is a Copenhagen-based design duo that has made waves within furniture, industrial and graphic design. The studio, formerly known as Komplot Design, has collaborated with some of the world's most prestigious manufacturers and their furniture, lighting, and other design products, are exhibited at numerous design museums around the world, including MoMA and the Danish Design Museum.

## CATEGORY

Lounge Chair

## ENVIRONMENT

Indoor

Poland

## PREASSEMBLED

Yes

## DESCRIPTION

With extensive comfort and a lightly hovering appearance, the Fiber Lounge Chair invites the user in for a relaxed and comfortable seat. The design features soft and embracing curves for a welcoming look, making it an elegant match for any setting of the home, workplace or hospitality area. Non-upholstered variants of the Fiber Stool are made from a combination of recycled plastic (min. 80% is recycled) and FSC™-certified wood fibers. The wood fibers blend into the surface for a matte finish and add a soft, inviting touch.

At the end of its life, this product can be disassembled, supporting circularity. All non-upholstered versions of this product are marked with recycling 5, meaning that is 100% recyclable to be used in future production and thus lowering material waste.

## MATERIAL

Shell - Fiber Lounge Chair without upholstery: The plastic of the shell is made using minimum 80% recycled plastic. The plastic is mixed with up to 25% FSC™-certified wood fibers. The seat is made of plastic that is climate compensated.

Shell - All other variants: Shell in plastic composition with up to 25% wood fibers.

Base - Tube base is made from powder coated steel.

Please note that variants with recycled plastic and FSC™-certified wood is not available in North America.

## SPARE PARTS

Pre-mounted plastic glides included.

Felt and plastic glides can be purchased separately.

Spare parts are available throughout the warranty period from the date of purchase of the product. For any inquiries, please contact [customer@muuto.com](mailto:customer@muuto.com)

## CLEANING AND CARE

Clean with a moist cloth. If necessary use a little dish soap on the cloth. For textile upholstery versions, please find cleaning instructions for your chosen textile at [kvadrat.com](http://kvadrat.com), [nevtex.com](http://nevtex.com) or for leather at [ca-mo.com](http://ca-mo.com). For leather upholstery versions: Clean the leather with a dry cloth regularly. Treat the leather at least four times a year using only special leather treatment products.
